# Institutes Love Teachmint X

---

As a science teacher, I found it challenging to manually draw diagrams & tables. Now, with Teachmint X, I can insert high-quality diagrams and create PPTs, making learning more accessible for my students. It's user-friendly & a real time-saver!

**Afroza Koshar | Teacher**  
**Raj Heights - The Global School, Bhopal**

Teachmint X has transformed our classes. We love how teachers can take attendance and I get automated reports. Students' active participation has elevated learning outcomes. We have transitioned from a conventional classroom to a connected classroom, reducing startup time & enabling hassle free-operations.

**Dr Vinaya Sawant | Principal**  
**Indira Priyadarshini School, Bengaluru**

Teachmint X's connected classroom has enhanced the teaching & learning experience for our school. It makes it super efficient for our teachers to start their classes in under 30 seconds, ensuring swift & hassle-free teaching. With real-time data sync and insights, it ensures timely interventions to improve the quality of learning for students.

**Adit Goel | Director**  
**Anee's School Mohali**

Our school's collaboration with Teachmint has dramatically changed everything in our classrooms. Grabbing & retaining student attention at all times may be impossible but with Teachmint X we can use tools like EduAI, Google & YouTube integrations, helping us cater with purpose to all our students.

**Mohammad Yousuf Wani | Chairman**  
**Green Valley Educational Institute, Kashmir**

Students often used to ask how they could get notes if they missed a class. To solve this, we adopted Teachmint X. Now, if someone misses a class, I can share a live-class recording with them the next day. We also take screenshots of the notes during class & share them with the students.
